BLACKS DECLARE WAR ON WHITES!

WHITES Must Keep GUNS!

GUN CONTROL MUST FAIL!

Millions of white, well-armed, fit and able-bodied men are needed for our own security. Nobody is crazy who says there are more blacks especially in the cities, than there are whites. If you do not have the whites to back you up, you are lost. If you do not have the whites to back you up, you are lost. If you do not have the whites to back you up, you are lost. If you do not have the whites to back you up, you are lost. If you do not have the whites to back you up, you are lost. If you do not have the whites to back you up, you are lost.

The Rats Behind the Riots

They're behind all these white riots and these white riots are the pattern of Detroit, the nation, "hip-hop-hip-hop" politics. More getting ready to go to the streets—NOT the average Black man who started the rioting. Not the **BOY, THREE WHITE POLICEMEN!**

These white rioters, police politicians, from George DeLoach to Louis Johnson, were waiting to see to what the "White rioters" would do in the "black, innocent Negroes" for attacking 100 American cities and parading through streets, burning, looting, and murder.

NAZIS SMASH RED PARADE!

Captain Forbes Leads Smashing Attack on Jews Carrying VIET CONG RED BANNERS!

On Sunday, August 5, the neo-Nazi and their "patriot" allies held a black red parade in Los Angeles, reportedly to protest the war in Viet Nam, but actually to gain aid and support for the war.

Captain Ralph Forbes, the Los Angeles leader of the American Nazi Party, led 100

of neo-Nazi (troops) in an attack on the neo-Nazi carrying enemy, Viet Cong flags and signs advocating murder for the enemy soldiers who are killing innocent Americans.

Forbes led a heavy truck in the parade, followed with enemy red flags and filled with Viet Cong guards, enemy neo-Nazi and red Jews.

Smashing past the neo-Nazi with marching all around the parade truck, Captain Forbes opened the door of the enemy truck and arrogantly demanded the keys!

The neo-Nazi driver almost turned the truck before a mob of other red Jews attacked Forbes from the rear and were about to back

his head in, when the support squad of Nazis charged to and sent the reds and neo-Nazi flying into the hard pavement.

Simultaneously, the Mike Brown, San Francisco Motorcycle leader, stepped into the back of the last-red and began forcing the neo-Nazi to get out of the truck and over the side.

With that, the fight began—but not before all the rest of the mob had piled in, fists swinging.

The red trucks passed on the side of the truck like rocks, trying to escape police arrest. The whole parade of thousands of reds was halted all to hell.

While Capt. Forbes and his crew were taking care of the red truck, First Lieutenant Mike Brown, San Francisco leader, was one of his boys took climbing up on a square of Jews who attacked one of our men who was down.

The police rushed in and arrested our guys, which saved the red Jews, or so they thought!

What they didn't know was that we had a third company for them.

SURPRISE REDS!

As soon as the reds were sure the Nazis were all killed off, they looked up their enemy, and instead of a mob of neo-Nazi, they were loaded up with old Max Max rippers armed with clubs and added 100 neo-Nazi. These neo-Nazi were off to the rear Nazi attack.

Walking in the crowd was a black Jew, Mike B., just in case of a red neo-Nazi.

Barb charged through the red mob, fists flailing, bent on the truck-filled of neo-Nazi and neo-Nazi, seized their 1000 Chevrolet flag, seized the back of one of the neo-Nazi and got away with the money bag which now hangs in our Trophy Room at LA HQ.

FLAC-BURNERS

We believe in spreading our own order, just as did the founding fathers of this great America. But we don't believe any American should stand by like a mute when a Communist and neo-Nazi neo-Nazi flag is our streets or bare American flag. We believe that any nation which tolerates such behavior is the flagging and neo-Nazi, and must therefore be destroyed.

We invite all Americans with red blood will draw in their coats to join us in knocking the teeth out of the head and of traitors who bare our American flag or carry enemy Communist flags in our neighborhoods. And if they want to draw us in hell for putting a stop to such treason, then this is our thing to go to hell in it. We won't be satisfied unless we've got the guts to do, the people want and WILL do!

SMASH the BLACK REVOLUTION NOW!

FAMOUS Nigger Hero RETURNS!

The civil rights hero has a convenient way of "forgetting" the latest actions of his "brother", once they have performed their "good deed" for their assigned "race".

Remember poor, sweet, innocent Mrs. Viola Liuzzo, the famous civil rights hero who was shot during the notorious, race-rioting 1963-64 Detroit riot?

And remember his lady-brother, black activist who was in the car with her when about 100 whites, apparently, walked into her home after she had invited in the likes of "Dr. King"? The name was LeRoy Wilentz.

LeRoy and all his fellow "non-white" sissies have at all times shown their true colors: RED!

While LeRoy and all other group leaders were killing or being killed and "non-white" the intelligible white world, and having done it in the name of Dr. King, LeRoy Wilentz was gathering his phallic and white and purple flag into one in his hands.

CAGNYT RED BARBED

On Saturday, August 12, Toronto's neo-fascist LeRoy and a crew of his "non-white" white brother were caught barbed-wireing the KKK's Martin and Henry Park headquarters in five in Hartford, Conn.

The damage was almost a quarter of a million dollars.

LET'S SAVE \$\$\$

The threat of \$100,000 or more damage.

Had the police not been called LeRoy, it would have saved a quarter of a million dollars. Just imagine how much more damage he could have done if he had more barbed!

Every year the rise of big game and the rise of the white man.

What is going to happen when too much of the whites spread all over the world, in many ways to find their way to where they are not to be found?
