COMMANDER MARTYRED

Nazi Jailed At Judas Trial

A delegation of Nazis appeared as observers at the first hearing of Judas Patler, and watched quietly as he was led before Arlington County Judge Embry by a small army of police and special guards.

However, the sight of Judas Patler, striding arrogantly into the court room while surrounded by his guards, was too much for one Nazi. Eric Wenberg, visiting the United States on special assignment from the Australian National Socialist Party, lunged from his seat, tears filling his eyes, shouting, "Patler, you filthy assassin! You rotten swine!" Before Wenberg could reach Patler, however, he was jumped and wrestled to the floor by dozens of police.

At the same time, Patler's knees buckled and he hung limply in the arms of police as he was rushed from the room. He had obviously fainted, his arrogance of moments before completely vanished.

As Wenberg was carried from the room, still struggling with police, he cried: "Long live the American Nazi Party! Long live Matt Koehl!"

Wenberg was later charged with "contempt" of

On August 25, 1967 the White Race lost its greatest leader. Commander George Lincoln Rockwell was shot to death as he was leaving a shopping center, directly across from ANP National Headquarters in Arlington, Virginia.

His assassin had stationed himself atop the roof of a nearby barbershop and, as the Commander was backing his car from the parking lot, he opened fire. Two shots were fired from cowardly ambush. One bullet struck the Commander and killed him instantly.

Moments later John Patler was arrested by Arlington police just blocks away from the scene and charged with the assassination. Several witnesses saw the Commander's assassin and gave police descriptions which matched Patler's. Patler was expelled from the Party earlier this year because of his growing Marxist leanings.

As Jesus Christ had his Judas, so the Commander had Judas Patler. And as Christ has left his mark on history, so has Commander Rockwell.

Army Denies Burial Right

Commander Rockwell, a veteran of both the Second World War and the Korean War was denied the right to be buried in a national cemetery. He had been decorated on nine occasions, commanded three naval squadrons, had served his country with distinction for nearly 20 years until his honorable discharge from the Navy in 1960. But because he was not a Republican or a Democrat, and because he believed in his be-

loved White Race, he was denied the right to a proper burial by the political hacks and Jew stooges in the Pentagon.

Acting with absolutely no legal basis, the Army denied the Commander the funeral he would have desired. Yet the Star of David, an alien symbol in this Christian country, is permitted in all cemeteries.

THE SPIRIT OF LINCOLN ROCKWELL

Friday, August 25, 1967. This date will go down forever as BLACK FRIDAY in the history of our race. When Commander George Lincoln Rockwell was struck down by the bullet of that cowardly assassin, not only did the National Socialist movement lose a leader; the White Race lost its greatest living champion.

Unlike all the sell-out politicians, Commander Rockwell was one man who

Throughout the afternoon in Culpeper, Nazis confronted the U. S. Army at the cemetery gates. Armed military police, flown in by helicopter to disrupt the funeral, barred passage of the funeral cortege until closing time, when the mourners were forcefully turned away.

Body Returned

The Commander's body was returned to an Arlington funeral home while Party officials met to decide the next course of action. When reliable information had been received that certain groups were planning to seize and desecrate the Commander's remains, Party officials were forced to move quickly to prevent such an attempt.

**Private
Cemetery
Considered**

During the long night following the battle of wills at Culpeper, Party officials attempted to acquire a burial site in local civilian cemeteries and to make other funeral arrangements. They were refused in over a half dozen attempts.

**New Hope!
Spotsylvania
Site**

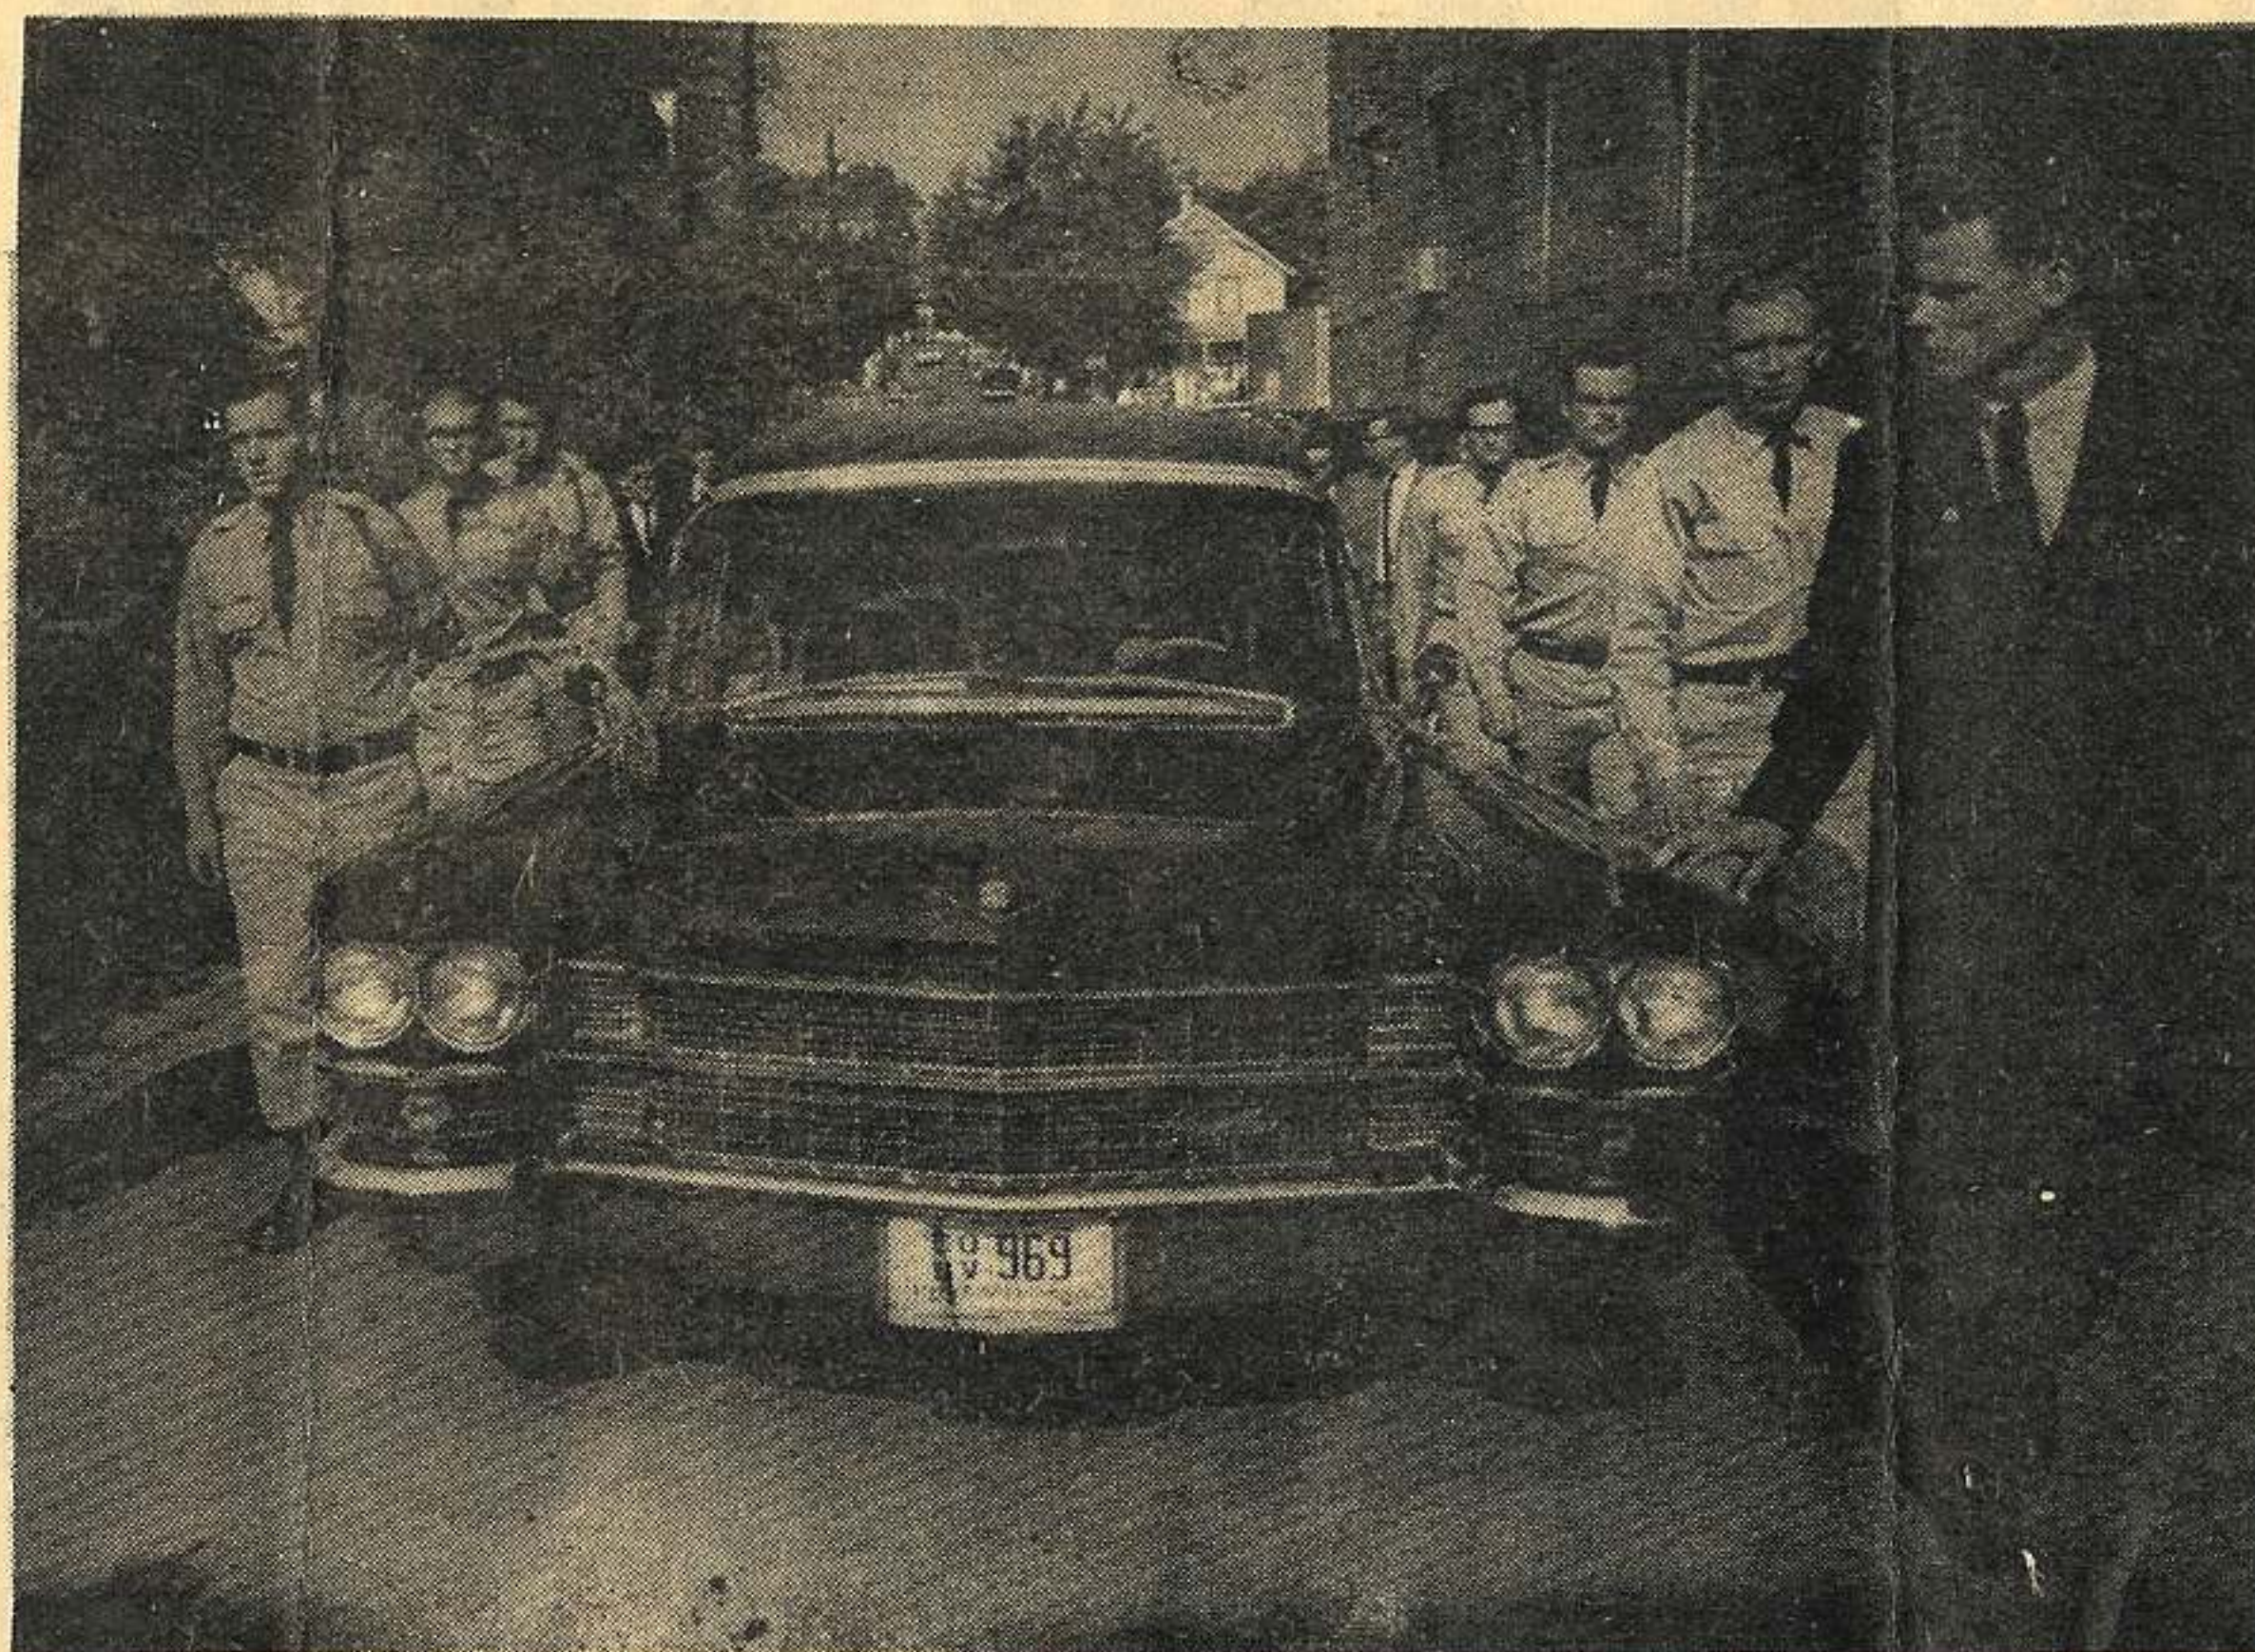

Finally, after hours of consultation, the Party decided to bury the Commander on its own five-acre tract of land in Spotsylvania County, Virginia. A local funeral director offered to make the necessary preparations. Many persons in Spotsylvania bury their loved ones on their own property with no objections from government officials. However, it was learned that certain groups, presumably the Jewish War Veterans, would move to have an injunction placed against a decent burial. Spotsylvania was then ruled out.

Further conferences followed amid threats from Arlington County officials to seize the Commander's remains. Other individuals were also moving to take the body and deny it a decent burial. Party officers had to move fast.

Cremation

After all other means had failed, the only alternative left was cremation. The Commander wanted above all else to be accorded proper Party ceremonies in the event of his death.

Later that day, the Commander's remains were returned to Arlington headquarters. A simple, but moving service was conducted by Major Koehl before a group of loyal National Socialists representing America, Canada and points overseas. The press and general public were barred.

*Procession
Begins* ↑

The procession began to enter Culpeper National Cemetery, uniformed guards by its side, unaware that the helicopters flying above were bringing U.S. troops to halt burial ceremonies. Just moments behind were more than sixty carloads of mourners, also unaware of the day-long standoff that was being planned by the top brass in the Pentagon.

had the guts and integrity to tell the straight, unvarnished truth, regardless of any consequences. He wasn't afraid to say what every decent White man feels in his heart, or to stand up for what he knew was right. As a result, he became the most hated man in America--hated by the Jews and racial traitors who are selling the White Man out to Communism and Black revolution.

George Lincoln Rockwell was born in Bloomington, Illinois on March 9, 1918. His ancestors were English, Scottish, French and German,

and included many Revolutionary War figures. His father was a very famous vaudeville comedian from 1912 until about 1935.

As a youth, Lincoln Rockwell spent most of his time in Boothbay Harbor, Maine, although he also lived in California, New York and New Jersey. Later he entered Brown University in Providence, Rhode Island, where he majored in philosophy. It was here that he first became familiar with the poisonous Liberal and Marxist ideologies.

Rockwell left Brown during the middle of his junior year to fight Adolf Hitler, whom he believed was out to destroy America--as he and millions of other gentle Americans had been told. He joined the Navy as a Seaman, and soon became a fighter pilot. Eventually he rose to the rank of full Commander, leading three naval squadrons in action in both the Atlantic and the Pacific, winning nine decorations.

After the war, Rockwell attended Pratt Institute Art School in New York City, working part-time in advertising and commercial art. In 1948, while still at Pratt, he won first prize in the National Society of Illustrators' competition for a full-page newspaper ad for the American Cancer Society.

A short time later, while serving as commanding officer of a naval reserve squadron in Washington, D. C., Rockwell launched a new magazine, "U. S. Lady", for the wives of American servicemen. In 1949, he founded the first big national advertising agency in the State of Maine.

Recalled to active duty during the Korean War, Commander Rockwell trained Marine and Navy pilots in close air support of ground troops. Afterwards he was transferred to Iceland, where he commanded a squadron at Keflavik.

At about this time, Rockwell became deeply concerned about the way all he had supposedly fought for in two wars,

was being turned over to the Communists. He noticed that almost all of the convicted Communist spies and traitors were persons with names like Rosenberg, Silvermaster, Weiss, Soblen, Sobell, Rose, Greenglass, Gold, Moskowitz and Cohen, etc. He further noticed the high percentage of racial Jews in the leadership of the Communist movement in this country. He was especially shocked to find that Who's Who in Jewry proudly listed many of these atheist Communists as Jews, even though he had believed the Jews were just a religion.

Observing that Adolf Hitler had said that Communism was Jewish, and that the Jews were a menace to every White nation, Rockwell bought a copy of *Mein Kampf* and read it. He was amazed to discover the author's remarkable insight into the problems facing the White Man, as well as his plan for saving the White Race and Western Civilization.

For several years Rockwell tried to work with different "Right-Wing" organizations, which considered necessary to "disguise" one's belief in Adolf Hitler and National Socialism. But he finally became disgusted with the shallow hypocrisy of these cowardly Conservatives, and decided to attack. Raising the Swastika banner of the White Race, he declared:

"Since our cause is fundamentally the truth, I do not see how we can win by lying or misrepresenting what we are, for fear of the Jews. The only time in the hundred years of the rise of Communism that this plague has ever been actually beaten, it was beaten not by 'Conservatives', but by radicals and fighters whom the enemy calls 'Nazis'."

Commander Rockwell hung up a Swastika banner in front of his home and dared the Jews to do something about it. They came shortly in droves and mobs, with their friends and dupes, to "do something about it". But Rockwell survived all the rocks, bombs and other Jewish "arguments". The publicity gave him a much-needed national platform. He was now able to call the attention of his fellow Americans to the increasingly critical condition of America and the White Race.

Speaking at great public rallies and before smaller private gatherings, Commander Rockwell won his way into the hearts of millions with his great, revolutionary vision of an all-White America. He introduced the idea of White Power to our people, and reminded them over and over again of the need to fight for the future of their race.

If the true measure of the greatness of a man is the service he renders his fellow men, then Lincoln Rockwell certainly ranks among the greatest men of all time. For service was the theme of his entire life. Throughout all the years of his manhood he served first his country, and then his race.

**Nazis Mourn
Commander**

Literally thousands of sympathetic letters, telegrams and cards have been flooding National Headquarters daily since the assassination. Uncounted, are the hundreds of telephoned expressions of condolence received each day, which kept our phones ringing until dawn on many mornings. Expressions of sympathy have come from each of the 50 states, as well as Canada, Mexico, Spain, Argentina, England, Germany, Austria, Brazil and many other countries.

Above, we have photographed only a few of the thousands of letters received during the days immediately following the tragedy.

SMASH the BLACK REVOLUTION NOW!

Matt Koehl Con't

George Lincoln Rockwell sacrificed more and fought harder for the things he held dear--his native land, his fellow countrymen, and, above all, his race--than any man now living. He saw his duty and unflinchingly did it, despite all opposition.

And here we must stop to consider how shabbily, how shamefully the government acted when it saw fit to deny this man the simple right of a veteran to burial, although he had faithfully served his country for so many years. There are few examples in history of such low, mean behavior.

In his struggle for a new America, Lincoln Rockwell was jailed, beaten, smeared, cursed, lied about and reviled by his enemies. But he never surrendered to any pressure, no matter how great. For every attack he knew only one answer: counterattack. Through it all, he was guided by the immortal words of Adolf Hitler: "Those who want to live, let them fight; and those who do not want to fight in this world of eternal struggle do not deserve to live."

Lincoln Rockwell fought, and he died. And yet he is not really dead, for he built a movement and spread an idea. And the enemies of White America are badly mistaken if they think they can destroy that movement or kill that idea with a bullet. As long as that movement remains and that idea continues to fill the hearts and minds of men, the spirit of Lincoln Rockwell lives on!

Suits Entered

The American Civil Liberties Union has since agreed to contest the Pentagon decision barring the Commander from a military cemetery. It is entirely LEGAL to bury the Commander in a national cemetery WITH FULL NAZI HONORS and the Army had acted illegally.

We are confident that we will win the case, and that we will gain the right to pay our last respects to Commander Rockwell in a national cemetery with full Nazi and military honors.

Capt. Chris Vidnjovich, Mid-Western leader of the American Nazi Party (pictured above), jumped onto the roof of the hearse and gave a short speech to the Nazi followers urging them to defy the illegal order of the Military Police. He then leaped from the top of the hearse onto the hood and into the arms of awaiting M.P.'s. Scores of Nazis followed him, only to be stopped by the heavily armed military.

Mike Steward and Douglas Niles were also arrested.

The three were charged by the U.S. Commissioner of the Eastern district with being disorderly persons on federal property, and were released on their own recognizance. Trial date was set for September 21.

However, after the outrageous conduct of the military at Culpeper, the American Nazi Party is in no mood to compromise! We will win a TOTAL victory or none at all! We will not allow the Army or anyone else to take illegal actions against us, and we will do everything in our power to smash the Jewish tyranny behind the Army's vile conduct--including flag-dipping of swastika banner.

Jew Liars

Expose Themselves!

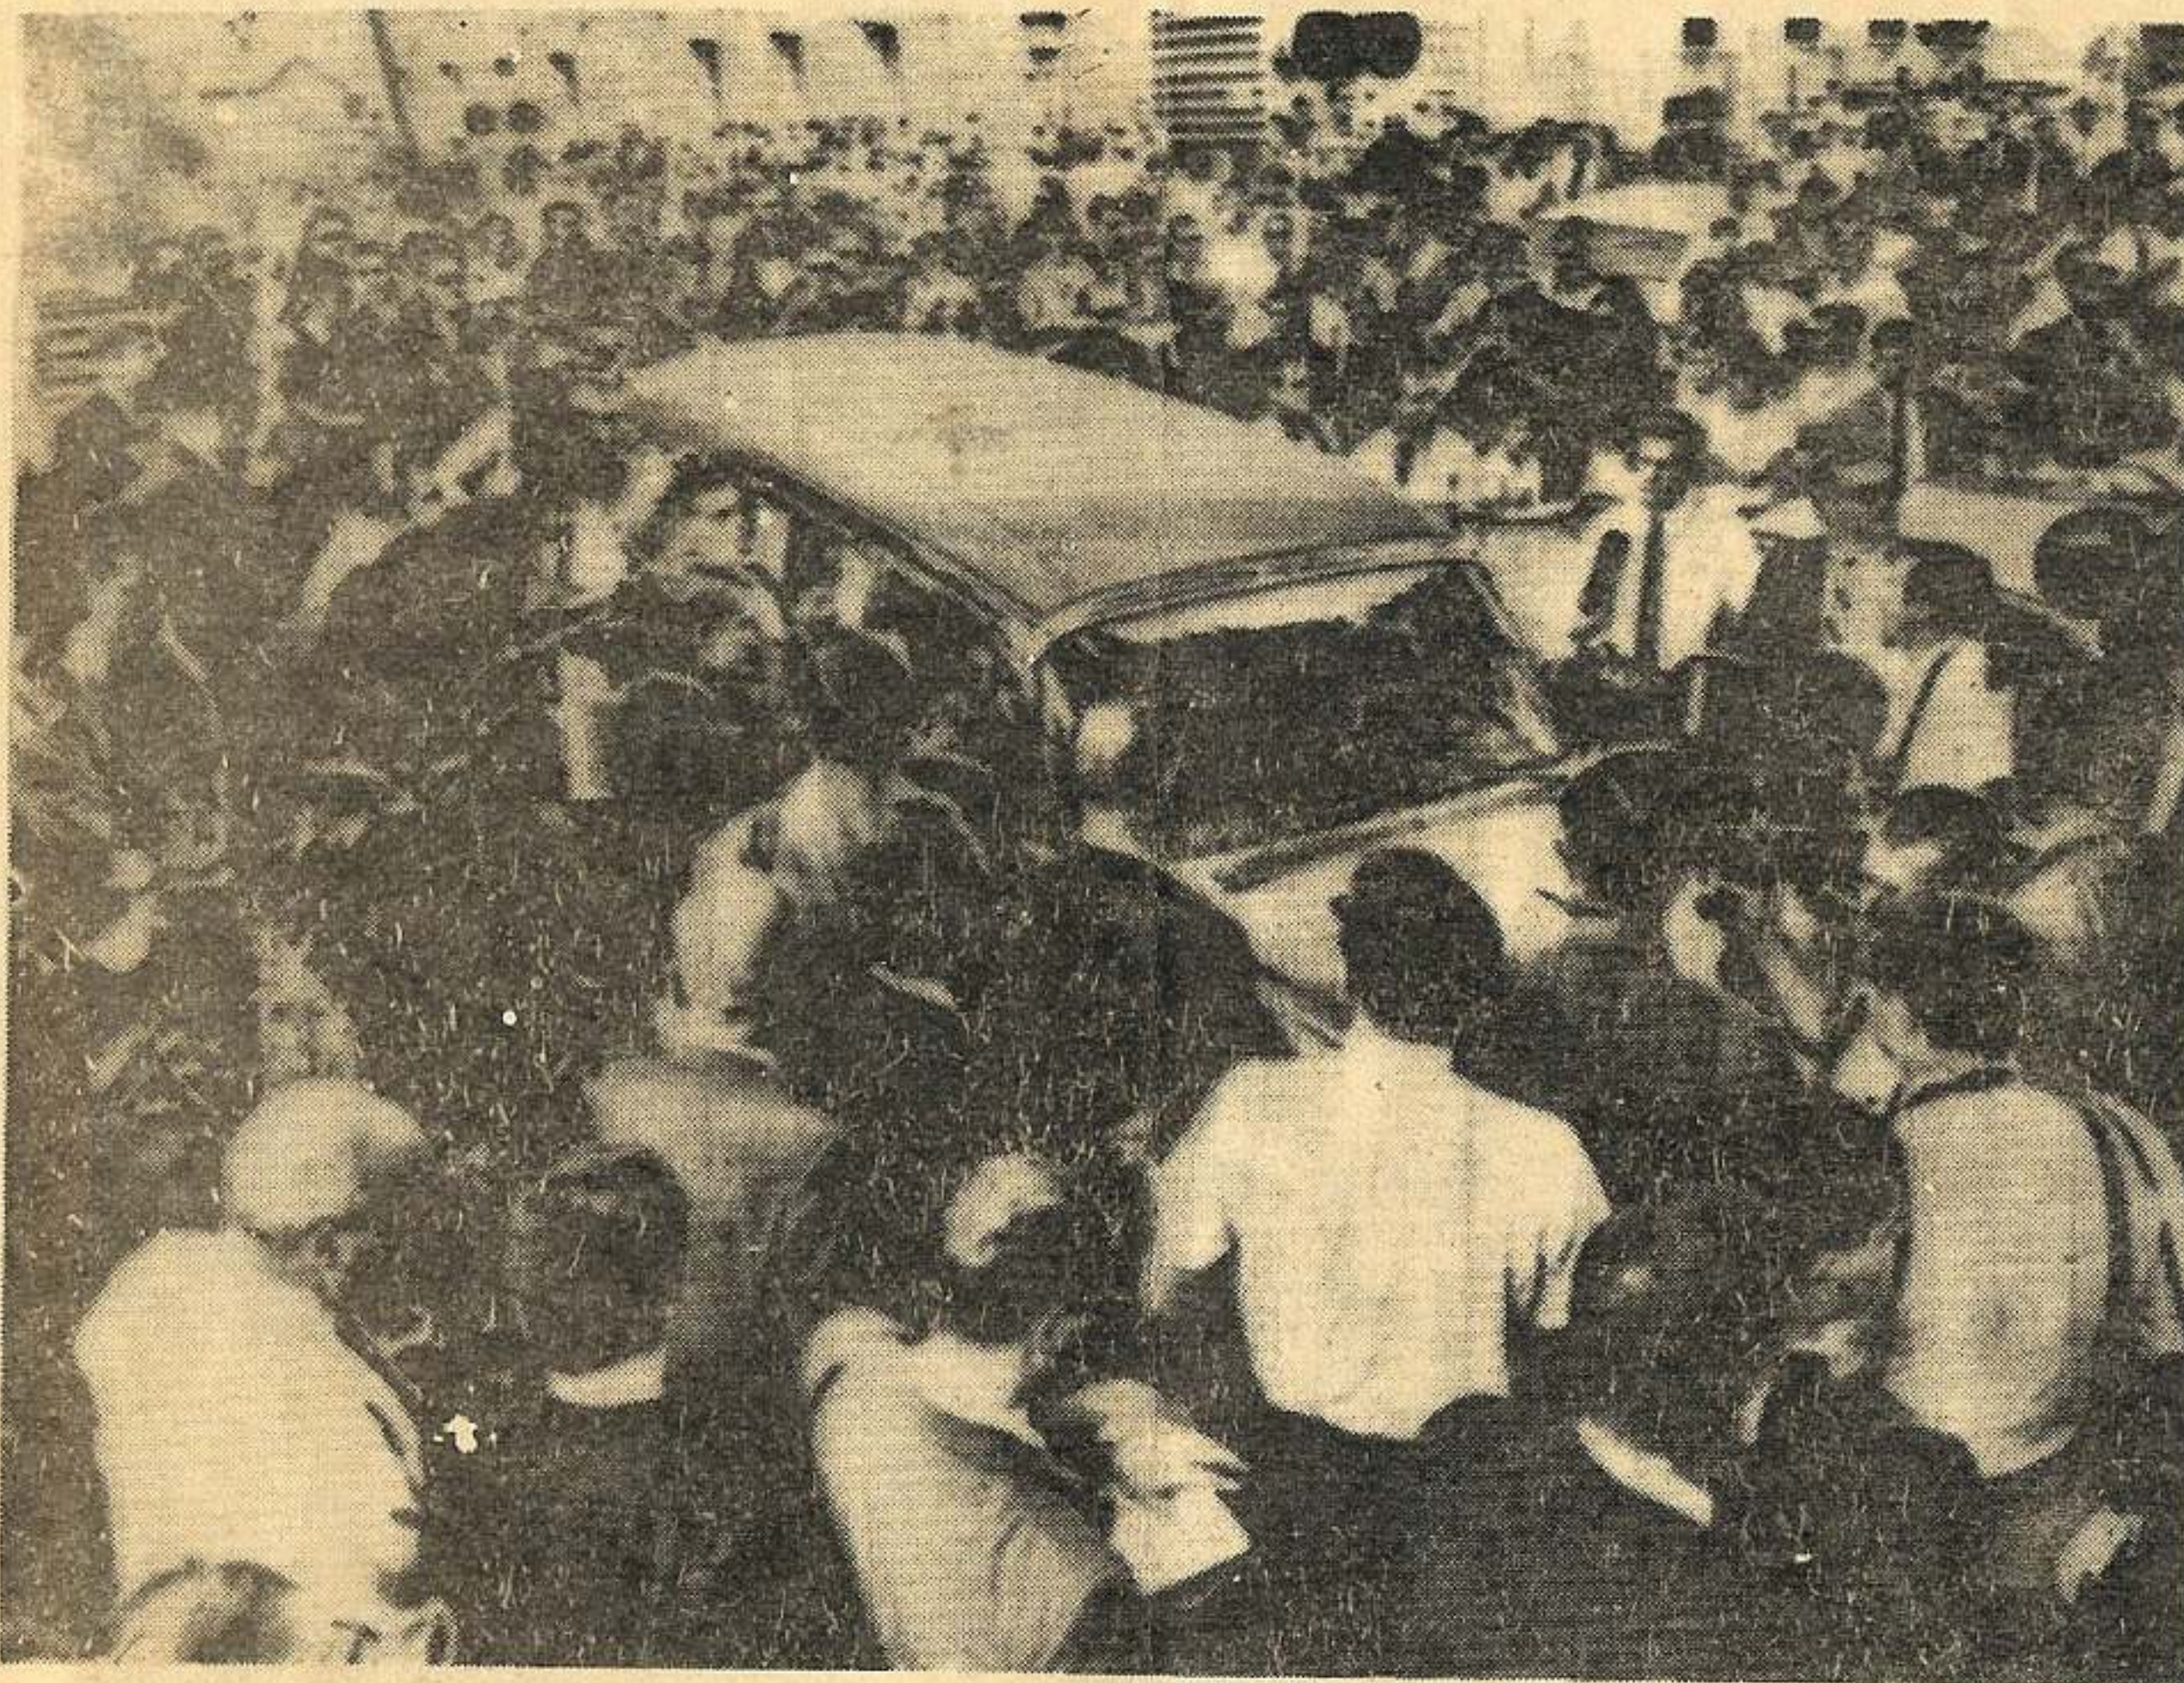

Immediately following the Nazi confrontation of federal troops at Culpeper, the Jews acted characteristically, spreading their familiar lies and making their wishful predictions. Beneath photos showing hundreds of Nazis challenging federal troops at the cemetery gates, the Jews continued to tell their readers that the American Nazi Party did not number more than a dozen or so persons across the country. Apparently, the Jews have a rather low opinion of the intelligence of White America. They did not consider that TV broadcasts and newspaper photos could speak for themselves, when they showed the crowds of Nazis at the Commander's gravesite. Wake up Jew, the White Man is not as stupid as you might believe!

mander realized that he might not live to see the victory of his beloved White Race, and wisely prepared his trusted officers for the day when he would no longer be able to lead us.

In addition, with their premature obituaries, the Jews have made a fatal error in evaluating National Socialists. Every Nazi in the United States--and overseas--has rededicated himself to the Cause. Far from discouraging us, the Commander's martyrdom has stiffened our determination to continue the struggle for race and nation. Response increased, membership is growing at an almost unbelievable rate and the Party is continuing the advance on all fronts!

The Jews have also begun to fondly predict that, without the Commander, the Party will disintegrate. But even in death, the Commander has cheated them! The Com-

Even bigger mobs of African blacks attack our cities with guns and fire-bombs. They have destroyed vast areas of whole cities, looted tens of thousands of stores, shot our police and firemen, and now threaten us with all-out "guerrilla" warfare.

A Federal marshal leads handcuffed H. Rap Brown at New York arraignment.

"BLACK POWER" BROWN JAILED ON FIREARMS CHARGE

H. Rap Brown, head of SNCC and currently facing charges of inciting a riot in Cambridge, Maryland, found himself enmeshed in further legal difficulties recently. Brown was arrested by two Internal Revenue Service agents outside of a New York apartment, following an air flight from New Orleans. The Justice Department reported that Brown had illegally transported a semi-automatic .30 calibre carbine by air from New Orleans to New York.

A search of the apartment where Brown was arrested, revealed a cache of ammunition as well as the weapon. Brown was jailed under \$25,000 bail. His attorney, William M. Kunstler, charged that his client's imprisonment was a plot to keep him under wraps.

However, reports have been circulating that on the second day of Brown's imprisonment, an anonymous syndicate had raised \$10,000 to help secure his release.

Attorney Calls Figure Outrageous

Brown Held on \$25,000 Bail

By Bart Barnes
Washington Post Staff Writer

H. Rap Brown, controversial chairman of the Student Nonviolent Coordinating Committee, was jailed under \$25,000 bail yesterday in New York on a charge of violating the Federal Firearms Act.

Brown's attorney, William M. Kunstler, termed the bail figure "outrageous" and said Brown, who faces an extradition hearing Wednesday in Richmond on Maryland charges of inciting to riot and arson, was being held a "political prisoner."

No professional bondsman was willing to put up the \$25,000 needed for Brown's release, a SNCC spokesman said, even though nearly \$10,000 in cash had been raised. He said the sum usually demanded by bondsmen for \$25,000 bail is \$2500.

A Justice Department spokesman said Brown was charged under a section of the

act that makes it illegal to carry firearms across State lines while under indictment. Brown, 33, was indicted Monday in Cambridge, Md., on the inciting to riot and arson charges stemming from racial disorders that erupted in that city July 24. The Justice Department said Brown was arrested shortly after 2 a.m. by Internal Revenue Service agents outside a New York apartment. The IRS enforces the Federal Firearms Act.

From his jail cell, Wenberg named Frank Drager as his attorney and asked that Frank Drager represent him during the deportation proceedings.

Within days a kangaroo-type hearing was set up in a tiny room within the nigger infested D.C. Jail and, as expected, Wenberg was ordered deported immediately and was refused bond while the case pended appeal.

MACKAY man JAILED IN U.S.

NEW YORK, Mon. (AAP-Reuters): Eric Ray Wenberg, 21, whose address was given as Mackay, Queensland, screamed "You filthy assassin" at the court hearing today of a murder charge against John Patler, accused of having killed his Nazi Party chief, George Lincoln Rockwell.

Police jumped on him, handcuffed him and carried him from the courtroom to a cell behind the courthouse. (Today's radiophoto).

As he was carried out, he shouted "Long Live the American Nazi Party. Long Live Matt Koehl" (Rockwell's designated successor as party commander).

Court officials said Wenberg was in the U.S. on a tourist visa and living at the Nazi Party headquarters near where Rockwell was shot to death.

Arlington County Judge L. Jackson Embrey sentenced Wenberg to 10 days in jail and a \$444 fine, for contempt of court.

Rockwell, 49, was shot dead last Friday, not far from the party's national headquarters in Arlington, Virginia.

Patler, 29, was arrested the same day and charged with murder.

Judge Embrey ordered Patler to undergo a psychiatric examination, and remanded him until Thursday.

officers' denial to set bond and within a few days was heard before the United States Board of Immigration Appeals. After a prolonged, dynamic oral presentation, Drager retired his case to the opposing Immigration Officer, a Jew named Appleman. The case was retired for several days so the immigration officials could decide whether or not to set bond.

Bond was decided--the ridiculous sum of \$5,000, an amount that must be put up only in cash.

Drager immediately filed a petition for a writ of habeas corpus in the United States District Court for the District of Columbia. When the writ was denied, Drager decided to appeal to the United States Circuit Court of Appeals only to find that the officials there would not accept appeals from a person that is not a member of the Bar.

The next step was to get an attorney for Wenberg. Without ample funds, this would be difficult, so Drager contacted the American Civil Liberties Union who had said they would help on the bond appeals. They decided sud-

denly that they could not handle this case.

Drager then had Wenberg enter the District Court with an affidavit of pauperism which would declare Wenberg financially unable to get legal help and would force the courts to appoint an attorney and pay the high costs of appeals. This is still pending.

During this entire operation, a period of three weeks, Wenberg had been on a hunger strike. After two weeks they put Wenberg in the prison hospital and started force-feeding him.

As this is going to press, Wenberg is being released on \$5,000 bond. Finally, a fellow patriot has come up with the necessary amount to give Wenberg his freedom while fighting the petty immigration authorities who would rather permit black Africans to enter the country than White patriots.

GOVERNMENT TO SUBSIDIZE INTERRACIAL MARRIAGE

WASHINGTON--President Johnson plans to ask Congress shortly to draft legislation which would give federal assistance to interracial

couples, who have become the primary victims of discrimination and the increased hostility between Whites and Negroes. The presidential move is reported as a follow-up to the recent Supreme Court decision outlawing state laws against mixed marriages.

Although the White House declined official comment, one congressional source close to the Administration declared that the President was "deeply concerned about the plight of those married couples of mixed racial background who, because of their unique situation in our society, have most keenly felt the effects of discrimination arising out of the increased hostility between White and Negro citizens". He said this discrimination was critically felt in two areas the government could remedy: housing and employment.

The President specifically intends to request assistance in the form of special rent subsidies and interest-free loans on new housing. Repayment on government loans would be reduced by 25% with the birth of each child to the mixed couple. A

Commander

continued from page 1

Like Christ, the Commander was the target of persecution during his lifetime. And also like Christ, the world will only recognize his greatness after his death.

During his lifetime, the Commander was a source of constant inspiration to those around him, and to those who had the rare privilege of serving under him. He received more than his share of pain and misery but he had expected these things and, by his example, also inspired his men to accept them as well. He fought like a lion against nearly insurmountable odds, he fought openly, always in front of his troops. His indomitable spirit and will always triumphed over the calculating schemes of the enemy.

And his iron will shall continue to triumph.

Christ died on a cross because he told the truth, and Christianity flourished thereafter. Adolf Hitler died in a Berlin bunker, the victim of the same eternal Jew, yet his mark on history shall forever remain. Commander Rockwell, the heroic disciple of Hitler, was martyred by a Marxist assassin, and his movement will flourish as did Christ's. "The blood of the martyr is the seed of the church." The Commander's work will go on, nurtured by his blood, inspired by his sacrifice and guided by his spirit, which will never leave us.

It is because of the Commander's teachings, his inspirational courage and his vision of a radiant New Order that we can continue to do the job he started. We shall not rest until his work has been completed.

Racial Marriage

continued from page 6

couple which had four children within a six-year period would have the entire mortgage canceled.

The Administration would also like to see a whole new series of federally-financed housing developments, which would give priority to interracial occupants. The projects would be located in 24 states in the South, Midwest, Northeast, West Coast, Alaska and Hawaii.

Also sought is legislation which would provide federal assistance in the area of employment. The President has already instructed the Commission on Government Contracts to submit specific recommendations to assist the wage-earners of racially-mixed households in job placement.

It was emphasized that the provisions of any new program probably would not be limited to Negro-White couples, but would very likely include couples of other mixed backgrounds, such as Orientals and Caucasians. Thousands of servicemen married to Japanese and Korean wives would probably

become eligible for benefits under any proposed legislation.

Although the White House will press for these measures to secure relief for an immediate social and human problem, it was revealed that the Administration is even more concerned with finding a long-range solution to America's growing racial problem. In meeting the crisis of the nation's mixed couples, the President hopes to find an important answer to the dilemma.

The presidential proposal is expected to encounter strong opposition, however, particularly from Southern lawmakers. Congressman John R. Rarick (D. La.) stated his position quite emphatically when told of the White House plans. "This is nothing more nor less than federally subsidized miscegenation", he declared. "If the President is calling for integration in the bedroom, then he has simply gone too far."

N.J. chief wants 700 fan guards

TRENTON, N.J. (UPI) — Gov. Richard J. Hughes of N.J. announced today the state would recruit up to 700 colored persons for the New Jersey national guard. He said permission for this had been granted by the Department of the Army.

Hughes said the non-whites would be accommodated in the guard by increasing its strength by up to 5 percent over present levels. He said permission for the plan was sought Aug. 14 by New Jersey Chief of Staff Maj. Gen. James F. Cantwell.

The governor indicated to a news conference that members of other minority groups such as Puerto Ricans would be included in the 700.

HUGHES ADMITTED there were complex legal questions involved in any recruitment program which would seek out minority group members and rule out whites. He said there were several thousand persons on the national guard waiting list, some of them colored.

The governor referred questions about the legality of the plan to the Department of the Army in Washington. Hughes said that as far as he knew, New Jersey was the first state to take action in implementing the recent recommendations by the President's Advisory Commission on Civil Disorders that more non-whites be added to the national guard. Hughes also said the state would launch a recruiting effort to attract more colored to the state police, which presently has only five non-whites among its 1,200 members.

NO WHITES NEED APPLY!

New Jersey's Governor Richard Hughes announced recently that he would recruit 700 more niggers for the National Guard. He said that permission for his sell-out program had been granted by the Department of the Army. Hughes also indicated that Puerto Ricans would be included in the 700 figure.

Hughes admitted that there were some complex legal problems involved because his recruiting program would deliberately discriminate against Whites in favor of non-Whites.

The Governor added that he would also launch a recruiting effort to attract more niggers into the state police.

GI Sentenced As Recruiter For U.S. Nazis

FRIEDBERG, Germany, Sept. 13 (AP)—A 19-year-old U.S. soldier was sentenced today to three months in an Army stockade for disobeying an order against recruiting fellow soldiers for the American Nazi Party.

Pvt. William David Whitmey of Redondo Beach, Calif., pleaded innocent to the charge before a special court martial, but the court of five officers found him guilty.

Whitmey said he had done no recruiting because Party regulations forbid soldiers on active duty to do so. His commanding officer, however, said Whitmey continued to distribute Nazi material after being ordered not to.

Whitmey declared the testimony against him was marked by "personal prejudice."
